HANDICAPPER—Is it merely a matter of personal opinion, and accordingly we would not undertake to settl ethe bet. JAMESH., Newark—Unless application was made for the redustatement of the horse when a general annesty was granted by the Jockey Club last Pall there is no chance that he can be gotten back into good standing on the turt.

Sheedy's License Granted. At a meeting of the stewards of the Jockey Club, held yesterday afternoon, a jockey's license was granted to Michael Sheedy for the season of 1896. Sheedy, it will be remembered, left Daly's employment early in the Winter.

Ben Brush Does a Good Trial.

Louisville, Ky., May L.-Ben Brush, Mike Dwyer's Derby candidate, was sent the distance to-day, with Willie Sims up, carrying the regular weight. The colt went the mile and a quarter easy in 2:10, equalling the time made by First Mate a few days ago. The trial to-day practically settles which horse will be the favorite next Wednesday.

The report from Lexington that the

Dragon, Colonel Pepper's entry, went the distance in 2:0736, which is two and a half seconds slower than Salvator's record, is doubted by the horsemen at Churchill They think there is a mistake

the turf.
